PURPOSE/BACKGROUND:

The Community Development Recommending Board (CDRB) members review eligible applications for federal and state grant funds and make recommendations to the City Council. The CDRB bylaws reflect changes in order to improve efficiencies and cost savings including reducing the number of members with more representation for Wards 1, 3 and 5 since they contain the majority of target neighborhoods. Neighborhood Services will focus on maintaining the same cross-section of community representation with a 13 member board.

RECOMMENDATION:

Staff recommends the Mayor and Council approve and adopt the Sixth Amended and Restated By-Laws of City of Las Vegas Community Development Recommending Board.
