

RECORD EXCHANGE

August 8, 2008 (revision)

Planning and Development Department
City of Las Vegas

Zia Records has been in business since 1980 in Phoenix Arizona with the expansion to Las Vegas in 2005. (Our first store is located at 4225 S. Eastern.).

We are requesting a special use permit at our newest location, 4503 W. Sahara for the purchase and resale of used music (CD's), movies (DVD's) and Games (video.) Our 4503 Sahara location encompasses 7,349 square feet at the Westlake Shopping Center. As proven by our Eastern location, the reuse of these products gives the consumer an opportunity for home entertainment at affordable costs.

All applicable laws and guidelines allowing for this special use permit will be adhered to, as they currently are for all our retail stores.

Respectfully submitted,

A handwritten signature in black ink that reads 'Jill A. Davis'.
