**ZON-29204 & SDR-29203- NV ENERGY (NEVADA POWER)
Abeyance**

Dear Ms. Wheeler,

On behalf of our client, NV Energy (Nevada Power), we respectfully request an abeyance of items 17 and 18 currently on the October 9, 2008 Planning Commission meeting. We would request the items be placed on the December 4, 2008 Planning Commission meeting. This will allow Nevada Power additional time to address the Planning Commissioner's concerns.

Please contact our office if you have any questions or require additional information.

Sincerely,
WRG Design, Inc.
