CHAIR GOYNES declared the Public Hearing open.

MARGO WHEELER, Director of the Planning and Development Department, explained that the Downtown Las Vegas Scenic Byway Corridor Management Plan has been updated with information since 2004. She was hopeful that the section related to the Neon Museum and Bone Yard and the section on Implementation would make the City's national designation application stronger. In conclusion, MS. WHEELER noted that the Management Plan remains a non-regulatory document.

PLANNING COMMISSION MEETING OF: OCTOBER 9, 2008

Having worked on this committee for a period of time, COMMISSIONER TRUESDELL considered the Downtown Las Vegas Scenic Byway Corridor Management Plan a great document.

CHAIR GOYNES declared the Public Hearing closed.
