A) Planning discussion

This is a request to Vacate a five-foot wide by 25-foot long traffic signal easement at 222 South Martin L. King Boulevard. This request is in combination with the expansion of Martin L. King Boulevard adjacent to the subject location. As this traffic signal easement is no longer needed in its current configuration, staff recommends approval of this request.

B) Public Works discussion

This Vacation application proposes to vacate a traffic signal easement. As no rightofway is proposed to be vacated, and thus no franchise rights are involved, it is not necessary to send this VAC request to the utility companies and franchise holders, nor wait for their responses. Since only a City of Las Vegas easement is involved; any utility company interests will not be affected.
