**Subject: Request for Abeyance on Review of Conditions (ROC) - 27304
Log Cabin Ranch by D.R. Horton, Inc.
September 17, 2008 Las Vegas City Council Meeting Agenda**

Ladies and Gentlemen:

G.C. Wallace, Inc. (GCW) on behalf of our client, D.R. Horton respectfully requests an abeyance of approximately one month on the subject application which is currently scheduled for the September 17, 2008 City Council meeting.. We request that this item be rescheduled to the October 15, 2008 meeting.

This abeyance is requested in order to allow representatives from GCW, City of Las Vegas, and D.R. Horton Inc. the opportunity to complete the Structural Design of the wall openings at the west property line and to meet with the adjacent property owners. City staff requested that the developer hold this meeting to enable all the affected parties to work towards a viable solution to the existing wall issue and to the impact of drainage on that solution.

We appreciate your consideration of this request. Should you have any questions, or require additional information, please call me at 804-4374 or Ben Smith, P.E. at 804-2100.

Cordially,
G.C. Wallace, Inc.
