**RE: OFF-PREMISE (BILLBOARD) SIGN LOCATED AT 820 S. VALLEY VIEW BLVD
APN: 139-31-801-002
CASE # SUP-4521**

To Whom It May Concern;

Clear Channel Outdoor at this time is requesting a Waiver of Condition from our approved SUP-4521. We are requesting condition number 5 be removed from our approved conditions of approval. Condition number 5 states, " Only one (1) advertising sign is permitted per sign face."

It's my understanding that the newly adopted ordinance supports the side-by-side posters, based on the fact that the side-by-side advertisements do not breach 672sf, which is code.

I hope you find this request to waive condition number 5 acceptable. Should you need further information regarding the above said matter, please contact me directly at 702.238.7209.

Kindest Regards,
