PURPOSE/BACKGROUND:

On February 9, 2006 the Clark County Regional Flood Control District approved an Interlocal Contract for design and environmental mitigation associated with the project. On September 14, 2006 the First Supplemental Interlocal Contract was approved to increase design funding. On February 8, 2007 a Master Plan Amendment was approved. On April 12, 2007 the Second Supplemental Interlocal Contract added the Racel Facilities RACO 0000 and RACO 0064, increased design funding and extended the completion date. On March 13, 2008 the Third Supplemental Interlocal Contract requested a formal name change. This Fourth Supplemental Interlocal Contract is requesting to increase design and environmental mitigation funding to address contract drawings, special provisions and cost estimates for additional design engineering associated with the completion of the project. This project is further identified and shown on the attached Exhibit A.
