Re: Nancy Deaner – Neon Museum Board of Trustees

2008 SEP - 8 A 8: 02

RECEIVED
CITY CLERK

Nancy Deaner currently serves the Neon Museum Board of Trustees as its president. She has held this seat and other trustee termed positions since October 27, 1997 and wishes to continue serving on the Board upon expiration of her current term on October 27, 2008.

Nancy's other duties include managing the city of Las Vegas' Cultural Affairs Department and she works on several other museum projects.

It is my recommendation that Nancy Deaner be re-appointed to serve another three (3) year term as a trustee on the Neon Museum Board.
