Date: August 21, 2008

Re: John Phillips - Traffic and Parking Commission Re-Appointment

We have contacted Mr. John Phillips, whose term on the Traffic and Parking Commission expires on October 18, 2008. Mr. Phillips wishes to be appointed to another four-year term on the Commission. He also wishes to remain on the Traffic Signal Capital Improvements Advisory Committee. He has missed one meeting in the last 12 months. I would like to recommend his reappointment.
