This item had been on the Planning Commission Agenda 4 times. Twice I paid for parking and made the trip there before knowing it was postponed. By the 4th time I had family obligations and could not make the meeting. I know the builder and owner are making all kinds of concessions to get this passed. I still don't want it right outside my front door. The staff at planning recommended DENIAL and the Commission should have gone with that decision. Why pay staff if you are not going to listen to them.

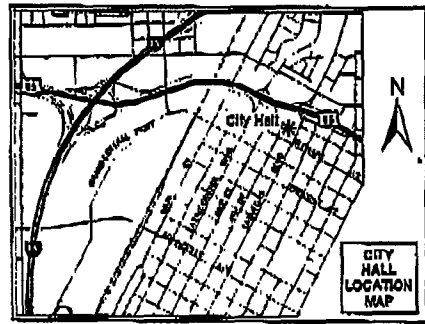

LET THE OWNER BUY A LOT THAT IS ALREADY ZONED COMMERCIAL AND LEAVE RESIDENTIAL ALONE!!!!!!

This item had been scheduled 4 times at the Planning Comm & delayed 3 times. I went 2 times without knowing it was delayed! By the 4th time I was unable to attend. If staff recommended denial then the planning Comm. should have denied it! I don't care how many exceptions & concessions they are making. we don't
