

October 1, 2008

City of Las Vegas
Councilman Steve Ross
10th Floor City Hall

Hand delivered

Councilman Ross,

Please accept my resignation as Planning Commissioner for Ward 6, effective October 10, 2008.

My new employment with the Poggemeyer Design Group creates a conflict of interest with the City as they have numerous contracts with the City for Public Works projects.

I present my resignation with much emotion as I have truly enjoyed the opportunity you presented to me.

Respectfully,

Sam C. Dunnam, P.E.
