Please discuss your qualifications to serve on any boards, commissions, or committees (Use additional pages, if necessary):

I received my Bachelors from UNLV. I attended Sierra Nevada College for a year and a half for graduate school and I am currently in the Paralegal Studies Program at CSN. I have lived in Las Vegas and the surrounding communities for over seven years so I have a great deal of knowledge as far as how much we have grown as a city. My Bachelors Degree was in Communications with an emphasis in Journalism, so I understand a how public relations can play an important role to any organization regardless of how big or small. I studied Elementary Education for my graduate credits at Sierra Nevada College and I have been teaching in Clark County for a number of years now so I have worked with youths from age 5 to 18 so I would be a perfect addition to plan programs for kids. I am currently taking Law courses at CSN, I believe that this qualifies me to volunteer on numerous boards for our City's Council. To reiterate my point, I am not seeking any position in particular I just merely want to volunteer to serve on a commission or committee that needs someone who is willing to give all of their extra time, and effort in order to better their community.
