ANALYSIS

This is the third request for an extension of time for the approved Special Use Permit (U-0083-02) to allow a proposed 3,500 square-foot Tavern. The applicant indicates that the extension of time is needed due to previous delays in the dedication of B.L.M. land and the opening of the Lone Mountain Road exit onto beltway. With the submittal and processing of the recent reversionary map (PMP-27288) the applicant is now ready to proceed with submitting civil plans and plans checks.

This Special Use Permit (U-0083-02) was originally approved with a Site Development Plan Review [Z-0067-99(2)] which has since been replaced by Site Development Plan Review (SDR-21992). There have been two extensions of time for the related Special Use Permits, but no change

in the surrounding land use has taken place since the original approval.

Conditions of Approval for Special Use Permit U-0083-02:

1. Approval of this Special Use Permit does not constitute approval of a liquor license.
2. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.
3. Conformance to the Conditions of Approval for Site Development Plan Review [Z-0067-99(2)].
4. If this Special Use Permit is not exercised within two years after the approval, this Special Use Permit shall be void unless an Extension of Time has been granted.

FINDINGS

Staff recommends approval of this Special Use Permit (U-0083-02) with a one year extension of time that will expire on 09/05/09. This date has been selected to coincide with the same date of expiration for the Site Development Plan Review (SDR-21992) and Variance (VAR-22100), which recently replaced the previous Site Development Plan Review [Z-0067-99(2)] entitlement.
