To Whom It May Concern:
Dear Sir or Madam,

We were approved at the above location for a Special Use Permit # SUP-22251 and VAR22252 on September 5, 2007. Since then all the plans had been approved by your department. We are actively pursuing the financing and contractors to complete the tenant improvements project. Recently we have awarded the contract to Weller & White License #0069484, General Contractors Vinny & Dean. They are actively working on the T.I. project, but we need an EXTENSION of TIME for the special use permit. We will be highly obliged if you approve the extension.

Thank You,

Sincerely
