ANALYSIS

A) *Planning discussion*

This is a request to Vacate a 20-foot wide drainage easement generally located on the northwest corner of Harris Avenue and Lamb Boulevard. This request will facilitate the development of a previously approved Site Development Plan Review (SDR-27066) for a 35,000 square-foot Office building and Meeting Hall for a Private Club, Lodge or Fraternal Organization. This drainage easement is currently used by adjacent residential properties and a new drainage easement will be provided in a more suitable location in relation to this development. As this drainage easement is no longer needed in its current configuration, staff recommends approval of this request.

B) *Public Works discussion*

This Vacation application proposes to vacate an existing public drainage easement. As no rightofway is proposed to be vacated, and thus no franchise rights are involved, it is not necessary to send this VAC request to the utility companies and franchise holders, nor wait for their responses. Since only City easements are involved; any utility company interests will not be affected.
