

JUSTIFICATION LETTER INCLUDING REQUEST FOR 400-DISTANCE REQUIREMENT

July 28, 2008

To Whom It May Concern,

We are asking for a waiver of the 400 foot distance requirement from both a childcare facility and a place of worship. Our establishment is more than 1,250 feet away, door to door from the house of worship and more than 1,500 feet away from the childcare facility. The childcare facility is also across Sahara Avenue and down Fort Apache to the south more than 300 feet.

Although we will be serving alcohol, we are not a tavern. There is a tavern and brewery, Chicago Brew Pub, located less than 1,500 feet from the childcare facility and a convenience shop with packaged liquor zero feet from the childcare facility. Additionally, another restaurant, Bertolinis Authentic Trattoria, is located less than 800 feet from the house of worship. All three of these establishments are closer to the childcare facility and house of worship than our requested use of establishment.

If necessary, we can obtain a letter from the house of worship stating that they have no objection to the use of our establishment serving alcohol.

Sincerely,

Arichai Silpasuvun
