CHAIR GOYNES declared the Public Hearing open.

MARGO WHEELER, Director of the Planning and Development Department, briefly reviewed the details of the Downtown Circulation Study conducted by the Regional Transportation Commission (RTC). MS. WHEELER explained that the study would be used for future policy and budgetary decisions for pedestrian travel within the central business sector. As the RTC and its various subcommittees have reviewed and accepted the study, MS. WHEELER recommended the Planning Commission accept the study which would then be forwarded to the City Council for consideration.

CHAIR GOYNES declared the Public Hearing closed.
