Reference Public Hearing/Planning Commission 11/20/08

I am the owner of the adjacent parcel 137-12-401-010. I am glad the church is building at the location. I do not feel they should obtain any variances' and should abide by the current zoning regulations.

Also, I voiced my opposition to the zoning commission regarding the use of the land being made for a public park for horse usage. This park was built for a select few of the population (horse owners) and not for the use by the general public. My opposition went unnoted.

I am physically unable to attend tonight's meeting. I am 89 yrs of age, on medication that I can not drive, and I am hoping my e-mail will be entered into the records of the meeting.
