DEPARTMENT: GOVERNMENT & COMMUNITY AFFAIRS

ITEM DESCRIPTION: Discussion and possible action regarding the Citys involvement in and support of the V.F.W. Post 1753 2008 Veterans Day Parade All Wards

It is the Citys policy to support parades held on the Citys official downtown parade route that positively serve the Las Vegas community. In accordance with Ordinance #5567, the City Manager shall have the authority to grant waivers for City services up to \$7,500 per parade and \$37,500 for all parades during any one fiscal year. The City Council shall have sole authority to waive costs above these limits or to provide financial support for non-City costs. City staff has worked to reduce the cost of city services provided during the parade. For the 2007 Veterans Day Parade, the city approved a waiver of up to \$16,254 for these same city provided services. Additional funding was also used to cover the cost for Metropolitan Police services, barricade plan and some communications equipment rental.
