I think they should have to have 18 feet
Narrower,

Richmond homes sent me a plan
which I ok'd but they are not doing
what they said they would do.

First they were suppose to ~~build~~
build a block wall fence across my
back yard. They finished part of it and
knocked a hole in it. Then they didn't
finish the block wall fence - about
8 ft. from the other side also

they were suppose to have a park
directly behind my property. Instead
I am looking at roofs. They are
bad news. Don't trust them at
all.
