

To whom it may concern,

**Protest**

CITY CLERK

My name is David Chan. <sup>2008 NOV 14 P 3:05</sup> I was the

owner of 893, Balzar Ave., L.V., I just want

to file a protest w/ the city clerk and declare

I am no longer the owner of that house on  
since it's foreclosed earlier this summer.

Balzar Ave. So in my opinion, I shouldn't be held

liable for any penalties.

I also talked to Lynn (code enforcement #16)  
on the phone and she agreed that there were only  
a few broken windows and other little damages.

It ~~does~~ does not deserve the civil penalties of  
 $\$3429.35 + \$98,050.00 = \$101,479.35$  !! I think these  
numbers are outrageous. At any rate, Lynn (#16) is going  
to contact the bank (Countrywide) which owns the house  
now and she can verify that I don't own the house  
anymore.

Submitted after final agenda
