RE: VIP Bail Bonds - Business licenses B18-94854-J-123576 and B01-94855-4-123576

Dear Ms. Woodson:

On October 13, 2008, you submitted a business license application for VIP Bail Bonds with a business address of 3100 East Lake Mead # 20 in the city of North Las Vegas. After a thorough review of this application, this is your formal notice that the aforementioned business licenses are **denied**. Reasons for denial include violations of provisions found in Las Vegas Municipal Code (LVMC) 6.02.090 which states:

The Director may:

(1) Deny an applicant a license if:

(d) The applicant, prospective licensee or any of its principals is engaged, or has commenced, instituted, advertised, aided, carried on, continued or engaged, in a business, trade or profession without having obtained a valid license, an approval for suitability, a permit or a work card when such a person knew that one was required or under such circumstances that they reasonably should have known one was required, or has solicited, encouraged, caused or procured another to do so;

On August 6, the City Council denied a Special Use Permit to conduct business from 1363 West Owens Avenue in Las Vegas. VIP Bail Bonds never obtained a valid business license for this location. As such, the business license application for 1363 West Owens Avenue was discontinued for processing for issuance and marked out on August 12, 2008. However, you continued to advertise on your website, vipbailbonds.com, without a valid business license.

Subsequently, you submitted a business license application for 8725 West Flamingo Avenue on August 22, 2008, which was previously denied on September 22, 2008. On October 13, 2008, you submitted your current business license application for 3100 East Lake Mead Avenue, Suite 20. Since August 11, 2008, you have continued to conduct business in the city of Las Vegas as evidenced by the posting of several bail bonds (not inclusive) at the Las Vegas Detention Center on the following dates:

August 11, 2008 (2 bonds)  
August 29, 2008 (2 bonds)  
September 2, 2008  
September 4, 2008  
September 7, 2008 (2 bonds)

(j) The proposed business activity constitutes, promotes, fosters, aids or otherwise enables a private nuisance, public nuisance or chronic nuisance.

An **Order** signed by the Honorable Las Vegas Municipal Court Judge Cedric Kerns issued on July 16, 2008 exonerates bonds posted for several defendants; the bonds were forfeited due to your testimony that you signed blank contracts and had them notarized, therefore a violation of NRS 686.283 for not reporting the fraud to the Attorney General's Office. Additionally, you charged a witness amounts that exceeded NRS 697.300 and there is evidence that you possess a notary stamp and notarized signatures in violation of NRS 240.075.

An **Order** signed by the Honorable Las Vegas Municipal Court Judge Bert Brown issued on October 20, 2008, bars and precludes you from filing bonds and sureties with the Las Vegas Municipal Court beginning October 24, 2008 until June 20, 2009. Among other issues, this Order is based upon the following facts set out in Judge Brown's decision:

- (A) That it has jurisdiction to preclude any person or entity from filing bonds with the court;
- (B) That the Equal Protection Clause has not been violated; and
- (C) That in a Motion to Deny Motion to Preclude Issuance of Bail Bonds and Request to (1) Exonerate Bonds (2) Represent Myself in Court and (3) Overturn Kerns Decision you were found to have misquoted NRS 697.340(3).

You have a right to appeal this decision by appealing this decision within thirty days to the City Council by **filing written notice of appeal with the Business Services Division**. The City Council shall hear the applicant at the next regularly scheduled meeting following the expiration of ten days after the applicant filed a notice of appeal.

Sincerely,
