I am writing to request an appeal to this decision regarding my business license, as a bail agent, I am allowed to have more than one location. I do have a location in North Las Vegas, however I am tired of paying fees to the City and then my applications are denied. At this point, I do not feel I should pay another \$30 to City of Las Vegas. The City can substitute the North Las Vegas address for the Clark County address.

As to the website, my web address is not vipbailbonds.com. On my actual website, I put in a change of address to my webmaster and she informed me that she changed the address. I do not view my website every day as I have no need to.

I look forward to being put on the City Council Agenda. This is merely a tactic by the City to delay my license and cause more problems.

RE: Business licenses B18-93804-H-142385 and B01-93802-H-142385

Dear Ms. Woodson:

On August 22, 2008, you submitted a business license application for VIP Bail Bonds with a business address of 8725 West Flamingo in the unincorporated area of Clark County. After a thorough review of this application, this is your formal notice that the aforementioned business licenses are **denied**. Reasons for denial include violations of provisions found in Las Vegas Municipal Code (LVMC) 6.02.090 which states:

The Director may:
(1) Deny an applicant a license if:

(b) The applicant, prospective licensee or any of its principals fails to satisfy any qualification or requirement that is imposed by this Code, or other local, State or Federal law or regulation that pertains to the particular license or approval for suitability which is sought;

Your enterprise is also regulated by the State of Nevada's Insurance Division. NRS 697.280 (1) states "Every bail agent shall have and maintain in this state a place of business accessible to the public, wherein the licensee principally conducts transactions under his license. The address of the principal place of business must appear upon the application for a license and upon the license when issued, and the licensee shall promptly notify the Commissioner of any change of address." As of September 17, 2008, State of Nevada Insurance Division records reflect your State license address as 1363 West Owens Avenue, therefore you are not in compliance with state law to engage in the requested business.

(d) The applicant, prospective licensee or any of its principals is engaged, or has commenced, instituted, advertised, aided, carried on, continued or engaged, in a business, trade or profession without having obtained a valid license, an approval for suitability, a permit or a work card when such a person knew that one was required or under such circumstances that they reasonably should have known one was required, or has solicited, encouraged, caused or procured another to do so;

On August 6, the City Council denied a Special Use Permit for you to conduct business from 1363 West Owens Avenue in Las Vegas. VIP Bail Bonds has never obtained a valid business license for this location. Because of this denial by the City Council, the business license application process you initiated for 1363 West Owens Avenue was discontinued on August 12, 2008. Nevertheless, you continued

to advertise operations from this address on your website, vipbailbonds.com, without a valid business license for that location.

Subsequently, you submitted this business license application for 8725 West Flamingo Avenue on August 22, 2008, yet without the benefit of being approved to operate in the City, you have actively been conducting business in the City of Las Vegas as evidenced by the posting of bail bonds at the City of Las Vegas' Detention Center on the following dates:

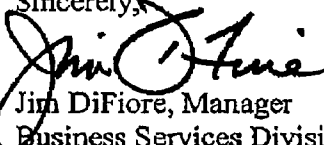

- August 11, 2008 (2 bonds)
- August 29, 2008 (2 bonds)
- September 2, 2008
- September 4, 2008
- September 7, 2008 (2 bonds)
- September 9, 2008 (3 bonds)
- September 11, 2008

(j) The proposed business activity constitutes, promotes, fosters, aids or otherwise enables a private nuisance, public nuisance or chronic nuisance.

An Order signed by the Honorable Las Vegas Municipal Court Judge Cedric Kerns on July 16, 2008 demonstrates other, more disturbing violations of law connected with your business activities. A copy of the order is attached, but the essence is that the court found you violated more than one provision of state law in the issuance of several bonds including charging excessive fees. These findings also included fraudulent use of your state notary stamp. This court has refused to allow you post any more bonds for its defendants as a result of these unlawful practices.

Additionally, you have continued to advertise and/or conduct business without a valid business license from both 1363 West Owens Avenue and 8725 West Flamingo Avenue. Both of these activities constitute a public nuisance, a violation of the City's Municipal Code and grounds for denial of this application.

You have a right to appeal this decision within thirty days to the City Council by filing written notice of appeal with the Business Services Division. The City Council shall hear the applicant at the next regularly scheduled meeting following the expiration of ten days after the applicant filed a notice of appeal.

Sincerely,
