

AGENDA MEMO

CITY COUNCIL MEETING DATE: NOVEMBER 19, 2008
DEPARTMENT: PLANNING AND DEVELOPMENT
ITEM DESCRIPTION: ZON-30369 - APPLICANT: FOREST CITY - OWNER:
LIVEWORK, LLC., ET AL

**** CONDITIONS ****

The Planning Commission (7-0 vote) and staff recommend APPROVAL.

**** STAFF REPORT ****

PROJECT DESCRIPTION

This is a request for a Rezoning of 12 parcels from C-M (Commercial/Industrial) to C-2 (General Commercial) on 1.75 acres adjacent to the east side of Main Street at the northeast and southeast corners of Bonneville and the southeast corner of Lewis Street. The proposed Rezoning to a C-2 (General Commercial) district will allow consistency with the existing General Plan designation of C (Commercial), therefore; staff is recommending approval of the subject Rezoning application.

Parcels and addresses affected by the subject Rezoning application

Redevelopment Plan Area The subject site is located within the boundaries of the Las Vegas Redevelopment Plan Area.

***Downtown Centennial Plan (Office Core District)** The subject site is located within the boundaries of the Office Core District of the Downtown Centennial Plan. Downtown Las Vegas remains the governmental office core for the region. This is considered the central business district of the valley. It is home to both governmental and corporate office uses and supports retail, restaurant, and other service uses necessary to complete an active Office Core.

****A-O (Airport Overlay) District** The subject site is located within the 200-foot boundary of the A-O (Airport Overlay) District. The proposed Rezoning application does not affect the height limitations of the Airport Overlay District.

*****Live/Work Overlay District** This subject site is within the Live/Work Overlay District. The proposed Rezoning does not affect the Live/Work standards as outlined in Title 19.06.030.

******Trails** The subject site is adjacent to the proposed Monorail Trail. The proposed Rezoning application does not affect the proposed Monorail Trail.

ANALYSIS

This is a Rezoning request to change the subject sites zoning designation from C-M (Commercial/Industrial) to C-2 (General Commercial). The C-2 (General Commercial) district is designed to provide the broadest scope of compatible services for both the general and traveling public. The category allows retail, service, automotive, wholesale, office and other general business uses of an intense character, as well as Mixed-Use Developments. This district should be located away from low and medium density residential development and may be used as a buffer between retail and industrial uses. The C-2 (General Commercial) district is also appropriate along commercial corridors.

The C-2 (General Commercial) district is consistent with the existing C (Commercial) General Plan designation, which allows for commercial uses that are normally allowed within the O (Office), SC (Service Commercial), and GC (General Commercial) Master Plan land use categories.

The proposed Rezoning from C-M (Commercial/Industrial) to C-2 (General Commercial) would allow for consistency with the C (Commercial) General Plan land use designation. The Rezoning would allow for compatibility with the C-2 (General Commercial) zoning districts to the north, south and east of the subject site, therefore; staff is recommending approval the subject Rezoning application.

FINDINGS

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1. The proposal conforms to the General Plan.

The proposed Rezoning from a C-M (Commercial/Industrial) district to a C-2 (General Commercial) district will allow conformance to the C (Commercial) land use designation.

2. The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.

The C-2 (General Commercial) district is designed to provide the broadest scope of compatible services for both the general and traveling public. This category allows retail, service, automotive, wholesale, office and other general business uses of an intense character, as well as Mixed-Use developments. These uses are compatible with adjacent developments in the Downtown Las Vegas area.

3. Growth and development factors in the community indicate the need for or appropriateness of the rezoning.

The proposed Rezoning is appropriate due to the continuing redevelopment of Downtown Las Vegas area as the regional center for finance, business, governmental services, entertainment, recreation and gaming.

4. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed zoning district.

Adequate access to the site is provided from Main Street a (100-foot) Primary Arterial. Access is also provided from Bonneville Avenue a (80-foot) Secondary Collector, Clark Avenue a (80-foot) Secondary Collector, Lewis Avenue a (80-foot) Secondary Collector and an alley way, which is accessed from the east side of the subject site.
