PURPOSE/BACKGROUND:

Clark County Traffic Management conducted studies on Grand Canyon Drive between Deer Springs Way and Grand Teton Drive and on Hualapai Way between Deer Springs Way and Grand Teton Drive and found that 35 mph would be the appropriate speed limit on these roadways. The County has changed their 25 mph signs to 35 mph signs. Several sections of these roadways are located in the City of Las Vegas, and the City agrees that the 35 mph speed limit is appropriate and recommends changing the City's signs to be consistent with the County's signs on these roadways.
