We are requesting an extension of time for one year. This project has been submitted to the City of Las Vegas for building permits and approvals are forthcoming within the next few weeks.

We believe the project, as submitted, is consistent with the City of Las Vegas' vision in this area of the City. We have endeavored to follow Title 19 of the Code as closely as possible, both in the design and layout of this site. We hope you share in our vision for this site and support us in our effort to bring a high-quality and much-needed amenity to the residents of Las Vegas.

Respectfully Submitted,
