RE:- TWIN LAKES RES. Care Home.  
Dear Sir/Madam,

The purpose of this letter is to apply for a Waiver OR Petition to allow 830 ft. distance separation from another Groupe RESIDENTIAL Care Facility, where 1,500 ft. is required.

Twin Lakes RES. Groupe Home is a project my sister SHARON, I have been working very hard to accomplish. The purpose of this project is to assist the elderly who are NOT capable of managing on their own and need assistance with Care, and activities of Daily Living. it will be a max. of 6 people.

We thought of this project because we have been dedicated in caring for the sick & Elderly. we will be on duty 24 hrs. Daily.

I am a Caregiver for over 30 yrs. and my sister SHARON SPENCER an RN for 18 yrs.

We have complied with all your requirements NEVER failed NOT EVEN ONE, and tried to follow your instructions.

I have drained out completely my retirement savings, & is now living on Social Security so that this project will be a success for the Community & others.

Please ~~condition~~ consider our Waiver/Petition by giving us permission to open our Care Home.

Thanks.

Yrs truly
