**ANALYSIS**

This is the second request for an extension of time for the proposed rezoning. The previous Extension of Time (EOT-25072) was granted for one year and expired on 11/01/08. Title 19.18.040 allows an extension of time or reinstatement of zoning approval as long as the zoning continues to conform to the use and density classification of the General Plan and remains consistent with the surrounding area and pattern of development. The subject site conforms to the General Plan designation of C (Commercial), and is consistent with the surrounding land uses.

**FINDINGS**

The applicant is requesting an extension of time to meet Title 19.18.040 requirements. Since the Rezoning (ZON-14338) conforms to the General Plan Designation and is consistent with the land uses of the surrounding area, staff recommends approval with a two-year time limit. Conformance to the conditions of approval of Rezoning (ZON-14338) shall be required.
