ANALYSIS

This is the first review of a Special Use Permit (U-0034-01) for a 40-foot tall, 14-foot x 48-foot Off-Premise Sign (Billboard) at 2101 South Decatur Boulevard since its approval on 03/05/03. This sign is located in the northeast corner of the parcel in front of the existing building and slightly overhangs the restaurant. The sign is located approximately 560 feet from property zoned for residential use to the west. Since the approval of the Special Use Permit there has not been a change in land use in the surrounding area. A field inspection completed by staff on 09/12/08 found the sign to be in generally good condition with some minor graffiti visible at the base that will require repainting.

FINDINGS

The billboard is in generally good condition but will require some minor repainting to cover up some existing graffiti at the base of the sign. Staff recommends approval of this review, subject to another review of Special Use Permit U-0034-01 to be completed in five (5) years.
