This area is too congested for this.
There is also school crossing that cars
do not stop or slow down for.

*This would create too much traffic
 for this area. A grammar school is only
 4 blocks away, and has two buildings in the
 same block with many students in computer
 classes held there. School crossing is
 conducted at this same location.
 This is a very bad idea.
 It would also lower property values in this
 residential area.*
