Subject: Revision: Clark County comments on land use proposal at Elkhorn and Jones

In response to the Inter Jurisdictional Courtesy letter regarding:

Application #: GPA-32557; ZON-32556; VAR-32570; VAR-32575; SDR-32569

Clark County is opposed to a Convenience Store at this location for the following reasons:

- The proposal is adjacent to existing Rural Neighborhood residential lots, which are developed with homes, to the west and south and is not compatible with those existing uses.
- This parcel is adjacent to an Excepted Area, identified in the Interlocal Agreement entered into by the City and County in December 2008, which limits development to low density residential uses. Allowing commercial on the parcel would not be compatible with the surrounding area.
- Both the City and County's land use plans show residential uses in this area and zoning this single parcel for a commercial use would create spot zoning.

Thank you for your consideration,

Kevin Smedley

RE: Case GPA 32557

Dear Planning Department:

I live near the proposed variance request GPA 32557 and our property at 6125 Elkhorn road is only 5 houses west of this property. I respectfully request this application be denied and would appreciate your support. I think it should be rejected for the following reasons:

1. It does not follow the master plan stating no commercial on Jones n/o Lone Mountain road.
2. It does not conform to the Town Center plan set up several years ago.
3. The property is too small for the requested operation, and removing the set backs will hamper potential fire vehicles if needed.
4. Approving this change will give precedence to change the large parcel on the s/e corner of Jones and Elkhorn that was set up in a trust to be for a church, but rumor has it going to be a commercial center.
5. No doubt the rest of the block of Jones/Elkhorn/Wittig and Torrey Pines will not go commercial any time soon so this can only devalue our property.
6. Traffic on Elkhorn has increased 10 fold over the last few years and adding commercial land to this area will only make it worse.

Please recommend to the council members and Mayor that this property should not be granted any zone change as it does not fit the master plan, it should not be changed to commercial and the corresponding variances should be declined.

Sincerely

Dan & Jill Bradley
