Subject: Mesquite Club GPA-32139 and ZON-32142

Support

To Margo Wheeler, Doug Rankin, and the Planning Commission,

On behalf of Southridge Neighborhood Association, we completely approve GPA-32139 and ZON-32142. There has been no opposition to this request other than a couple of the neighbors that live directly behind the Mesquite Club. Their complaints were safety and privacy. Rebuilding and raising the wall and monitoring all people using the facility were the main concerns. These issues were addressed and they were assured that the Mesquite Club staff would comply with any of their requests.

This is no fly by night organization. Established in 1911, the Mesquite Club is an intricate part of Las Vegas history. If you don't believe me then just go there and look at the pictures and names of the women that have been members, past and present. The building has already been deemed an historic site. Let them continue to shape our future.

Sincerely,

Michael Hanratty

President, Southridge N A
