this is an example of going through the drill you say you want comments but do not provide a form or space for comments. We are all not dumb we can see through this! We need a new building & why! We need a new building & why!

Our City Planners (Council) must think we are stupid. Where will the lease money come from if not from us taxpayers. We will pay 2 times over to lease then to buy. The leaser will make money off this deal.
