COUNCILMAN REESE recognized STEPHEN SIEGEL as the March 2009 Citizen of the Month. MR. SIEGEL is a self-made businessman who has established many highly successful businesses in the City of Las Vegas. Recently, he has focused on providing safe and affordable housing options in areas most developers are avoiding. He has worked with area residents and the Las Vegas Metropolitan Police Department to improve the area around the newly renovated Vista Arms Apartments. He is also currently renovating the Gold Spike Casino which has received great reviews on the work done so far.

MR. SIEGEL thanked the Mayor and Council for the honor and thanked the City as well as his staff for all their support and assistance. He invited the community to visit the Gold Spike Casino and enjoy the newly re-opened restaurant and table games.
