PURPOSE/BACKGROUND:

Each year, the Nevada League of Cities and Municipalities (NLC&M) recognizes Nevada's students who have contributed to their community through service activities. Winners are chosen based on their outstanding citizenship, demonstrated leadership, academic achievement, community involvement and participation in school clubs and organizations.

To be considered for this awards program, students must be formally nominated by the municipality they represent. Each member of the NLC&M may nominate students in three categories: middle school, high school and graduating seniors.

RECOMMENDATION:

Staff recommends that the Mayor and City Council approve the list of student nominees to be forwarded to the NLC&M for further consideration.
