LVMC 16.08.010 – 2004 Uniform Code for the Abatement of Dangerous Buildings
Section 302 – Dangerous Building.

For the purpose of this code, any building which has any or all of the conditions or defects hereinafter described shall be deemed to be a dangerous building, provided that such conditions or defects exist to the extent that the life, health, property or safety of the public or its occupants are endangered:

(3) Whenever the stress in any materials, member or portion thereof, due to all dead and live loads, is more than one and one half times the working stress or stresses allowed in the Building Code for new buildings of similar structure, purpose or location.

(4) Whenever any portion thereof has been damaged by fire, earthquake, wind, flood or by any other cause, to such an extent that the structural strength or stability thereof is materially less than it was before such catastrophe and is less than the minimum requirements of the Building Code for new buildings of similar structure, purpose or location.

(5) Whenever any portion or member or appurtenance thereof is likely to fail, or to become detached or dislodged, or to collapse and thereby injure persons or damage property.

(6) Whenever any portion of a building, or any member, appurtenance or ornamentation on the exterior thereof is not of sufficient strength or stability, or is not so anchored, attached or fastened in place so as to be capable of resisting a wind pressure of one half of that specified in the Building Code for new buildings of similar structure, purpose or location without exceeding the working stresses permitted in the Building Code for such buildings.

(8) Whenever the building or structure, or any portion thereof, because of (i) dilapidation, deterioration or decay; (ii) faulty construction; (iii) the removal, movement or instability of any portion of the ground necessary for the purpose of supporting such building; (iv) the deterioration, decay or inadequacy of its foundation; or (v) any other cause, is likely to partially or completely collapse.

(9) Whenever, for any reason, the building or structure, or any portion thereof, is manifestly unsafe for the purpose for which it is being used. a deleterious effect on the values of neighboring properties.

(11) Whenever the building or structure, exclusive of the foundation, shows 33 percent or more damage or deterioration of its supporting member or members, or 50 percent damage or deterioration of its nonsupporting members, enclosing or outside walls or coverings.

(12) Whenever the building or structure has been so damaged by fire, wind earthquake or flood, or has become so dilapidated or deteriorated as to become (i) an attractive nuisance to children; (ii) a harbor for vagrants, criminals or immoral persons; or as to (iii) enable persons to resort thereto for the purpose of committing unlawful or immoral acts.

(13) Whenever any building or structure has been constructed, exists or is maintained in violation of any specific requirement or prohibition applicable to such building or structure provided by the building regulations of this jurisdiction, as specified in the Building Code or Housing Code, or of any law or ordinance of this state or jurisdiction relating to the condition, location or structure of buildings.

(14) Whenever any building or structure which, whether or not erected in accordance with all applicable laws and ordinances, has in any nonsupporting part, member or portion less than 50 percent or if any supporting part, member or portion less than 66 percent of the (i) strength, (ii) fire resisting qualities or characteristics, or (iii) weather-resisting qualities or characteristics required by law in the case of a newly constructed building of like area, height and occupancy in the same location.

(17) Whenever any building or structure is in such a condition as to constitute a public nuisance known to the common law or in equity jurisprudence, or as specified in Chapter 9.04 or the Las Vegas Municipal Code, or as amended from time to time.

(18) Whenever any portion of a building or structure remains on a site after the demolition or destruction of the building or structure or whenever any building or structure is abandoned for a period in excess of six months so as to constitute such building or portion thereof an attractive nuisance or hazard to the public.

(19) Whenever any building or structure, or any portion thereof, whether partially or completely constructed, has become so dilapidated or deteriorated in condition or appearance, or is maintained in such a condition, as to endanger the safety of the public, be injurious to the senses, obstruct the free use of property of others or have a deleterious effect on the values of neighboring properties.

Per 9.04 – Refuse and Waste: Remove any visible non-usable materials, goods, etc. from all yards and other areas, to comply with code.

Per 9.12 – Litter (Maintain litter free): Remove all trash, litter, paper, cans, bags, etc. and maintain litter free on a consistent basis.

Post: No trespassing (per NRS 207.200), no dumping (per NRS 444.630), no vehicles (per CLVMC 10.78.020 & 11.24.020) sign on site to deter illegal activity and prevent future violations. All trespassers, squatters, and anyone unable to prove occupancy must vacate premises within 10 days of posting of this notice.

Upon correction of violation(s), the responsible party; being resident, tenant, owner, or manager, licensee or other person having control over a structure or parcel of land, must maintain property in compliance or face possible fees, fines, and any such enforcement as permitted by this code.

Responsible party must provide contact information to this department. Contact code enforcement Inspector #31 at 229-2016 to supply your current phone number, email address, fax number, or additional mailing address.

In order to demolish one or more buildings, you are required to first obtain a demolition permit, and then to secure and maintain the remaining vacant property so as to remove the negative impact on surrounding properties.

Moreover, you are hereby given notice:

1. That within ten (10) days after service of this Notice and Order, you as the owner or responsible party may appeal to the City Council. Such appeal shall be in writing and shall be filed with the City Clerk. Within fifteen (15) days after the appeal has been filed, you will be given written notice of the procedure and time frame for the hearing of the appeal. The appeal will be heard by the City Council or by the Council's designee, with a right to final appeal to the Council. An owner or responsible party who fails to appeal shall be deemed to have waived any and all objections to the actions taken by the Director of Neighborhood Services to satisfy the requirements of this Notice and Order.
2. That this Notice and Order or a copy thereof must be presented to the Department of Building and Safety when requesting any permit(s).
3. That failure to appeal will constitute a waiver of all rights to an administrative hearing to determine this matter.

LVMC 9.04.020 authorizes the City of Las Vegas to assess and collect a re-inspection fee of \$120.00 if the violation(s) are not brought into compliance by the re-inspection date on this notice. An additional fee of \$180.00 per hour, one-hour minimum (not to be pro-rated), will be charged for each additional inspection after the initial re-inspection. In addition, LVMC 9.04.020 and 9.040.040 authorizes the city to assess a civil penalty concurrently with the re-inspection fees assessed. On the 2nd re-inspection a \$180 re-inspection fee + a \$150.00 civil penalty will be assessed; on the 3rd re-inspection a \$180 re-inspection fee + a \$300.00 civil penalty will be assessed; on the 4th re-inspection and any future re-inspections will be assessed a \$180 re-inspection fee + a \$500.00 civil penalty. Additionally, every person who causes or maintains a public nuisance, or who willfully omits or refuses to perform any legal duty relating to the abatement of such nuisance (1) shall be guilty of a misdemeanor; (2) shall be liable civilly to the City and, upon such findings shall be responsible to pay civil penalties of not more than five hundred (\$500.00) dollars per day, or for commercial properties; civil penalties of not more than one thousand (\$1000.00) per day, for each day that any nuisance remained unabated after the date specified for abatement in the notice of violation. The \$500.00 or
