PURPOSE/BACKGROUND:

Current code provisions authorize the administrative issuance of a temporary license for a limited number of privileged license categories. This bill would expand that authority to apply to all privileged categories. The administratively-issued temporary license would be good for up to 90 days, and could be extended by the City Council for two additional extension periods not to exceed 6 months each.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
