May 1, 2009 through May 26, 2009

THIS SPECIAL EVENT LICENSING AGREEMENT (this "Agreement") is entered into this 18TH day of MARCH, 2009, by the City of Las Vegas ("Licensor"), a municipal corporation of the state of Nevada and Las Vegas, Nevada, B.P.O. Elks Number 1468, ("Licensee"), a Nevada non-profit corporation.

AGREEMENT SUMMARY

(a) This Agreement licenses the use of the Site (hereinafter defined) for twenty-six (26) days, which includes four (4) days for the rodeo event and related concessions, thirteen (13) days for site preparation and nine (9) days for site restoration collectively (the "Event"). The Event is sponsored and promoted by the Licensee, who will submit an application to the City of Las Vegas Planning Department for review and approval prior to the Event. In the event of any conflict between such application and this Agreement, this Agreement shall prevail.

(b) The Event is proposed on property owned by the Licensor which is bound by Stewart Avenue (south), 7th Street (east to ally, mid-block), Las Vegas Boulevard (west), and US 95 on-ramp (north), and depicted on the Site Map attached hereto as Exhibit "A" and incorporated herein (the "Site"). Full property access may be restricted by existing structures, with Licensor having final discretion on any such restrictions.

(c) This Agreement sets forth the obligations of Licensee concerning the use of the Site, and other property licensed or used for parking, approaches or sidewalks (collectively the "Premises") in connection with the Event.

NOW, THEREFORE, the parties hereto, in consideration of the mutual promises and covenants set forth herein, do agree as follows:

1. Grant of License. Licensor does hereby license to Licensee and Licensee does hereby license the Site, on the specific dates indicated, for the following use and no other purposes: **Helldorado Days PRCA Rodeo** per the attached application and under terms and conditions of this Agreement. The Event, including the time needed for preparation and restoration of the Site before and after the Event, is authorized for the following dates (collectively the "License Term"):

- (a) May 1, 2009, through May 13, 2009, inclusive-----Site Preparation.
- (b) May 14, 2009, through May 17, 2009, inclusive-----Actual Event Dates.
- (c) May 18, 2009, through May 26, 2009, inclusive-----Site Restoration.

The Licensor will use the Site in compliance with the Site Plan attached hereto as Exhibit "B." Any modifications to Site Plan will require City approval.

2. License Fee. A non-refundable advance deposit shall be waived by Licensor. In exchange for the use of the Site, Licensee shall pay Licensor a licensing fee in the amount of \$0.00.

3. Performance Bond. Licensee shall provide at the execution of this Agreement, a Performance Bond substantially in the form of Exhibit "C," attached hereto and incorporated herein as a part of this Agreement from a surety acceptable to the City of Las Vegas City Attorney in the penal amount of \$25,000 to guarantee performance of all of Licensee's obligations, duties and covenants under this Agreement. The performance bond shall remain in place until a final walk-through of the Site has been completed.

4. Conditions Precedent to Entry onto Site. Licensee covenants and agrees to perform and abide by each and every term, condition, limitation and restriction herein set forth, each of which shall be a condition to Licensee's use of the Site pursuant to this License Agreement. Licensee shall not enter the Site to begin preparing the Site for the Event, and shall not move any equipment or any other item onto the Site unless and until Licensor, in writing, authorizes Licensee to do so and Licensor confirms that Licensee has fulfilled all of the conditions precedent to such entry. The conditions precedent to Licensee entering the Site are set forth in Exhibit "D" attached hereto and incorporated herein. In the event Licensee enters the Site prior to fulfilling all of such conditions precedent and the actual receipt of such written authorization, such entry shall be considered by the parties to be trespassing committed by Licensee, as well as a default which shall automatically terminate this Agreement.

5. Default. The Licensee covenants that if any default is made in the covenants or agreements herein contained, this License of the Site at the option of Licensor shall cease and terminate, and the relation of the parties shall be the same in all respects as if the License term had fully expired. In such event Licensor may reenter and take possession of the Site and hold the same as of its former state therein, remove all persons, and resort to any legal proceedings to obtain such possession.

6. Insurance.

(a) Licensee agrees to obtain and furnish to the Licensor prior to entry onto the Site and/or Premises, but no later than May 1, 2009, whichever is the first to occur, a certificate showing that there is in effect a comprehensive General Liability Policy, which is at least as broad as the CG 00 01 form, in the minimum amounts of One million per occurrence and \$2,000,000 aggregate. This coverage should include products and completed operations, include coverage for liquor sales, if applicable, broad form property damage coverage and broad form contractual liability. Such coverage shall be on an "occurrence" basis and not on a "claims made" basis. Furthermore an excess or umbrella policy must be obtained that will provide coverage of up to Three million. The limits of liability insurance are to be written on a per event basis.

The City of Las Vegas Deputy City Marshals, and the Licensor shall be named as additional insured parties and such notation shall appear on the certificate of insurance furnished by the Licensee's insurance company. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer and licensed by the State of

Nevada. Each insurance company's rating as shown in the latest Best's Key Rating Guide shall be fully disclosed and entered on the required certificate of insurance. The adequacy of the insurance supplied by the Company, including the rating and financial health of each insurance company providing coverage, is subject to the approval of the Licensor. The Licensor requires insurance carriers to maintain a Best's Key rating of "A VII" or higher. The Certificate shall indicate that the insurance company or the Licensee cannot cancel the insurance without at least 30 days prior written notice to the Licensor. Any language to the effect that the insurance company or surety company will "endeavor to inform" the Licensor of cancellation or material change in coverage must be stricken from the certificate of insurance.

(b) The Licensee shall obtain workers compensation insurance, and provide proof of the same to Licensor, for all sub-contractors and their employees, and Licensee shall require any sub-licensee or other permittee obtain workers compensation insurance for their employees per NRS 616A-616D.

(c) The Licensee shall obtain automobile insurance in the amount of \$1 million combined single limit and shall have all vehicles that will be on Licensor's premises, whether owned or hired, covered on that policy.

(d) The parties agree that the specified coverage's or limits of insurance in no way limit the liability of the Licensee. The insurance required herein shall provide coverage for the full period of the Licensee's use and possession of the Site and the Premises.

(e) The Licensee shall have the Licensor endorsed on the primary liability policies and the excess/umbrella as an additional named insured.

(f) The Comprehensive General Liability Policy, Automobile Policy and Workers' Compensation shall have a waiver of subrogation endorsement relieving the Licensor from any and all liability to Licensee as a result any direct or imputed act by the Licensor.

(g) The Licensee shall be responsible for and insure against bodily injury and property damage caused by the acts or omissions of Licensee, its sub-licensees, and their respective employees, represent, servants, agents, licensees, invitees, patrons, guests or contractors (collectively the "Event Entities"). Licensee will not do, or permit to be done, anything in or upon any portion of the Site, or bring or keep anything thereon which will in any way conflict with the conditions of any insurance policy upon the Site.

(h) All deductibles and self-insurance retentions shall be fully disclosed in certificates of insurance. No deductible or self-insured retention may exceed \$10,000 without the prior written approval of the Licensor.

7. Indemnity. The Licensee is responsible for any and all demands on account of any injury or death, or damage to property (including, but not limited to, the Site) occurring in or upon any portion of the Site or Premises, which are caused by the acts or omissions of the Event Entities. In addition to the obligations set forth in Section 4, the Licensee shall defend, indemnify and hold the Licensor and the City of Las Vegas Deputy City Marshals Unit, their officers and employees (collectively the "Indemnitees") harmless from and against any and all claims, demands, actions, causes of actions, penalties, judgments and liabilities of every kind and

description (including court costs and reasonable attorneys' fees) for injury to and death of persons, and damage to and loss of property which are caused by, arise from or grow out of the use or occupancy of the Site or Premises by the Event Entities from any breach by Licensee of any of the conditions or obligations of this Agreement or from any act or omission of the Event Entities.

As a part of such indemnification, the Licensee specifically will indemnify and hold the Indemnitees harmless for any actions taken by the Event Entities, related to the removal of individuals or groups from the Site or Premises. The Indemnitees shall not be liable for injuries to any person, or entity, or for damages to property owned or controlled by the Event Entities, when the claims for damages or injuries are incident to, arise from or are in any way connected with the Event Entities' use or occupancy of the Site or Premises, or for any act or omission of the Event Entities. This Agreement shall not provide any right for any person, firm, corporation, or association that is not a party to this Agreement. Nothing set forth in this Agreement shall affect or limit the statutory protections and limits of liability for the Indemnitees set forth in NRS 41.035.

8. Inspection of Site and Premises. Licensee and Licensors shall jointly inspect the Site and Premises prior to installation of any temporary improvements to determine and document its current condition, the location of well heads that need to be protected, if any, and the condition of the Site and Premises in all respects, together with any hazards that need to be avoided for the uses contemplated by Licensee. Licensee accepts the Site and Premises in their "as is" condition. Licensee and Licensors shall jointly inspect the Site and the Premises during move-out to determine whether any changes have occurred in the condition of the Site and the Premises which are directly attributable to Licensee's occupancy and use thereof, and to document any cleanup or other restoration of the Site and Premises that may be required of Licensee. The restoration of the Site and Premises after the Event must include reinstallation and/or the relocation of fencing and the dust mitigation material as may be required by Clark County Dust Management.

9. Improvements to Site and Premises. Licensors shall contribute or credit in-kind labor, material and equipment support in an amount not to exceed Twenty-Five Thousand Dollars (\$25,000) for Site improvements to include, but not limited to, fencing, grubbing, grading, sidewalk upgrades and other miscellaneous Site work. All procurement and placement of fill materials (dirt), is at the sole cost and responsibility of the (Licensee). All other costs for improvements to Site and Premises shall be borne by Licensee.

10. Care of Site and Premises. Licensee, at its own expense, shall keep the Site and Premises at all times in a safe, sanitary and sightly condition so as to prevent blowing of debris, and shall return the Site to Licensors upon the expiration or termination of this Agreement in a clean condition, with all trash and debris, removed therefrom (and adjacent properties if any such debris has been blown or deposited thereon from the Site). Licensee agrees and covenants to return the Site to Licensors without any liens or claims recorded against the Site. In the event the Licensee fails to perform the requirements of this Section, the Licensors may do all things necessary to restore the Site to the condition required herein, charging the actual cost thereof to Licensee. Such costs may be recovered from the Surety under the Performance Bond required under Section 3. The Licensors may, in conjunction with routine maintenance duties, provide

daily cleaning support in the form of trash pickup and street sweeping activities in the event and surrounding areas. The level of this support is at the discretion of the Licensor, but will be done without cost to the Licensee or inclusion in the aggregate amount of in-kind services to be provided under Section 9.

11. Expiration of Occupancy. At the expiration of the License Term hereinabove set forth, the Licensee shall quit and vacate the Site in as good condition and repair as before the Licensee's use thereof, and shall have performed prior to such vacation the permanent dust treatment required under Section 8 to the satisfaction of the Licensor. In the event the Licensee holds over and fails to surrender possession of the Site at the time herein agreed, then and in that event, the Licensee agrees to pay Licensor for the hold-over period the amount of \$1,000 per day or any part of a day, and the same does not preclude Licensor from collecting other damages in the event damages do occur as a result of such hold-over. If Licensee vacates the Site prior to the expiration of the contracted time of occupancy, Licensor will assume beneficial control of the Site and the License Term will terminate. In addition, the Site shall be free of any claims or liens recorded against and encumbering the Site.

12. Property Left on Site. The Licensee shall remove from the Site and Premises on or before the termination of occupancy herein, all temporary structures, and all personal property, goods, and effects belonging to the Event Entities, or otherwise brought upon the Site and Premises during the term of the License. If any such personal property is not removed at the above stated time, Licensor shall have the right to dispose of any such property, for which the Licensee agrees to pay a reasonable fee and all expenses incurred by the Licensor. Licensor shall be held harmless from any claim of lost property or property left on Site.

13. Lost Articles. The Licensee shall provide a means for, and shall have the sole right and responsibility to collect and have custody of articles left on the Site or parking areas by persons attending any performance, exhibition or entertainment event given or held on the Site. Lost articles will be returned upon proper identification of article and owner according to policies established by the Licensee. The Licensee will have the right, after a reasonable period of time, to dispose of lost articles.

14. Compliance with Laws. The Licensee shall comply with all laws of the United States and the State of Nevada, all ordinances of the City of Las Vegas and Clark County, and wherever applicable, all rules and regulations of the Las Vegas Metropolitan Police Department, the City of Las Vegas Deputy City Marshals and the City of Las Vegas Fire Department. Licensee will not suffer or permit any activity on the Site in violation of such laws, ordinances, rules, regulations, policies or criteria herein referred to. The Licensee shall be responsible to provide readily achievable access to the Event and provide auxiliary aids to anyone in accordance with the Americans with Disabilities Act. Additionally, it shall be the responsibility of the Licensee to submit to the Licensor in writing, a list of independent vendors and service companies (e.g. installation and dismantle companies, florists, modeling agencies, concessionaires, and all exhibitor appointed contractors and vendors that are providing a service to exhibitors.) The Licensee shall be responsible for these companies to be properly licensed and insured prior to entering the Site. The Licensee shall secure compliance with all state, local, and federal laws and/or regulations from all Event Entities participating in any way in the Event or related services. Licensee shall ensure that the Event Entities comply with all laws, rules and

regulations related to booth installation and dismantling, business licensing, and health regulations. Licensee shall obtain from such Event Entities a commercial general insurance policy in the amount of, at least, one million dollars (\$1,000,000).

15. Hazardous Materials. Subject to prior approval by Licensor, Licensee is responsible for the proper care, handling, security, removal, and disposal of all Hazardous Materials brought upon the Site by the Event Entities in the manner required by the Environmental Protection Agency, its rules, regulations or other applicable standards in effect at the time of occupancy. Upon request by the Licensor, the Licensee shall provide proof of the method of transportation and disposal of the Hazardous Materials. Any costs associated with the transportation and disposal of materials left on the Site will be paid by the Licensee.

16. Licenses. Licensee shall obtain, and cause the Event Entities to obtain, the permits or licenses required by laws, ordinances, rules and regulations mentioned herein, and shall not allow anything on the Site and Premises during the License Term in violation of any such laws, ordinances, rules, regulations, policies or criteria, and if attention of the Licensee is called to any such violation on the part of the Licensee or of any person employed by or admitted to the Site by the Licensee, the Licensee will immediately desist from and correct, or cause to be corrected, such violation.

17. Child Care. Licensee shall not allow any type of childcare facility to be operated on the Site.

18. Security/Parking. Licensee is responsible to provide adequate parking areas to accommodate attendance at the Event. Licensee shall be responsible for complete security in all areas licensed or otherwise rented or provided, including exhibit areas, grand stands, arena, live-stock animal pens, back of House, parking areas, walkways, loading dock areas, and emergency exits, from the time of initial possession until completion of move-out. Such services will be at the expense of the Licensee. All security arrangements are subject to prior approval by the Licensor and the City of Las Vegas Deputy City Marshals Unit. Licensee shall provide an approved security placement plan for stationary or roving posts to the Licensor and the City of Las Vegas Deputy City Marshals Unit prior to entry onto the Site and/or Premises, but no later than May 1, 2009, whichever is the first to occur.

19. Meter Suspension. Licensee shall be responsible for all costs to the city to remove meter heads and poles; and/or bag and place parking meters in an *out of service status*, as required by event activities. These costs can be applied to the aggregate amount of in-kind services to be provided under Section 9, if so requested by the Licensee and if the site improvements are less than the total allowable amount.

20. Concessions. Subject to City of Las Vegas licensing requirements, Licensee shall have the sole and exclusive right to offer for sale on the Site beverages of any type, food, souvenirs, or other merchandise of any legal type, or Licensee may license such concession rights to any party or parties designated by Licensee subject to the requirements of paragraph 14 above. The Licensor reserves the right to deny this right to any particular person or entity in its sole discretion. Licensee shall provide a list of the proposed concessionaires to the Licensor at least twenty (20) days prior to the Event.

21. Access to Premises. The Licensor reserves for its authorized representatives and for officers of the City of Las Vegas Deputy City Marshals Unit, free access and right to enter any portion of the Site.

22. Objectionable Persons. The Licensor reserves the right to eject any objectionable person or persons from the Site or Premises or any part thereof, if in the sole determination of the Licensor, such objectionable person or persons create a danger to public health and safety. Upon exercise of this authority by the Licensor and the City of Las Vegas Deputy City Marshals Unit, Licensee specifically waives any right to any claim for damages against the aforementioned parties for such actions. Every reasonable effort will be made by the Licensor to notify the Licensee of any pending action in regard to any cause to which this Section applies.

23. Force Majeure. If (a) the Site or Premises, or any portion thereof shall be destroyed or damaged by calamity so as to prevent the use of the Site for the purposes and during the periods specified in this Agreement, or (b) if the use of the Site by Licensee shall be prevented by act of God, strike, lockout, material or labor restrictions by any governmental authority, civil riot, flood or any other cause beyond the control of the Licensor, then this Agreement shall terminate and Licensee hereby waives any claim against the Licensor for damages by reason of such termination. In such event, Licensee shall still perform its Site cleanup and restoration responsibilities to the parties pursuant to this Agreement. The Licensor shall, within a reasonable time, provide notice to Licensee of any event to which this Section applies.

24. Evacuation. It is mutually agreed by the parties that in the event the Site or Premises, or any part thereof, shall be evacuated by reason of fire, strike, picketing, job action, riot, unruly demonstration, bombing, bomb threat or other incident or occurrence, actual or threatened, the Licensee, for itself and for the other Event Entities, shall and does hereby release the Licensor, its officers, employees and agents from any and all liability for injury, loss of life, loss of or damage to property or other damage or loss of any nature whatsoever, economic or otherwise suffered or sustained as a result of such evacuation or direction to evacuate. Licensee, for itself, and for its successor and assigns, hereby covenants and agrees, in the event of such evacuation or direction to evacuate, that any and all claims that may be asserted by third persons for injury, loss of life, loss or damage to property or any damage or loss of any nature whatsoever, economic or otherwise, suffered or sustained as the result of such evacuation or direction to evacuate shall be subject to the indemnification requirement set forth in Section 7 of this Agreement. Under emergency circumstances, Licensor, or its designee, shall regain complete control of the Site. Every reasonable effort will be made by the Licensor to notify the Licensee of any pending action with respect to emergency evacuation.

25. Re-entry Right. Licensee agrees that if the Site or any part of the premises thereof shall become vacant during the License Term, Licensor or its representatives may reenter the same either without being liable therefore to Licensee or the Event Entities.

26. Copyright and Trademark Indemnification. Licensee warrants and represents that no music, literary or artistic work or other property protected by copyright, nor the name of any performing individual or group protected by trademark will be performed, reproduced or used in the performance of this Agreement unless the Licensee has previously thereto obtained written permission from the copyright or trademark holder or licensor thereof. Licensee acknowledges

that Licensee acts under this Agreement as an independent contractor, charged with the responsibility in Licensee's sole discretion for selection, performances, reproduction and use of such musical, literary and artistic works and such individual performer or group of performers as Licensee deems appropriate and that Licensee guarantees strict compliance with all laws respecting copyrights (Federal Copyright Law of 1978 - 17 U.S.C. 101) and trademarks and the performance, reproduction and use of musical, literary and artistic works or the use of the name of the performer or performing individuals or group. Licensee warrants that in the performance of this Agreement, Licensee will not infringe any statutory common law or other right of any person in performing, reproducing or otherwise making use of any work or material or performer or performing group. Any and all claims, costs and expenses, including legal fees, demands, actions and liabilities of every kind and character whatsoever with respect to the violation of copyright and trademark rights, the improper performance, reproduction and use of musical, literary and artistic works, or the improper name of performing individual or group, shall be subject to the indemnification requirements set forth in Section 7 of this Agreement.

27. Royalties and Claims. Licensee agrees to pay when due all royalties, license fees or other charges accruing or becoming due to any firm, person or corporation by reason of any music, either live or recorded, or other entertainment of any kind or nature, played, staged or produced by the Event Entities upon the Site. Licensee agrees to hold harmless the Indemnitees and Licensor against any and all such claims and charges, and to defend, at its own expense, any and all such claims and charges. Licensee shall have the right, however, to protest and if desired, to litigate and adjudicate any and all such claims.

28. Assignments. Neither this Agreement, nor any rights of the Licensee granted hereunder, may be assigned by the Licensee without the written consent of the Licensor.

29. Binding Effect of Agreement. All terms and conditions of this Agreement shall be binding upon the parties, their heirs or representatives and assigns and cannot be varied or waived by any oral representation or promise or any agent or other person of the parties hereto unless the same be in writing and mutually signed by duly authorized agent or agents of the parties who executed this Agreement. On behalf of the Licensor, the authorized agent must be the acting City Manager or his designee.

30. Governing Law/Merger Clause. The parties to this Agreement agree that the same was entered into in Las Vegas, Clark County, Nevada. All prior negotiations and understandings are merged herein and no change or additional agreement shall be of any effect unless in writing and signed by the party to be charged. This Agreement constitutes the entire understanding of the parties hereto with respect to the subject matter hereof and supersedes any and all prior or contemporaneous documents or understandings whether written, oral or implied. This Agreement shall be construed to have been drafted by all parties hereto.

31. Disputes. In the event of a dispute arising under this Agreement, the parties shall attempt to amicably resolve the matter through escalating levels of management. Disputes that cannot be informally resolved shall be litigated rather than submitted to arbitration. The Agreement shall be governed by the laws of the State of Nevada, and venue for any litigation shall be in the Eighth Judicial District Court for Clark County.

32. Sub-licensing of Site. The Licensee may sub-license portions of the Site to other vendors and entities related to the Event. The Licensee may not sub-license any part of or the entire Site to another overall producer or promoter without the express written permission from the Licensor.

33. Legal notices. All legal notices required pursuant to the terms and conditions of this Agreement shall be in writing, unless an emergency situation dictates otherwise. Any notice required to be given under the terms of this Agreement shall be deemed to have been given when received by the party to whom it is directed by personal service, hand delivery, traceable courier, facsimile with confirmation of transmission, or U.S. mail via certified mail-return receipt requested at the following addresses:

If to the LICENSOR: Scott D. Adams, Director
 City of Las Vegas,
 Office of Business Development
 400 Stewart Avenue

If to the LICENSEE: Las Vegas, Nevada, B.P.O. Elks Number 1468

The Licensee shall notify the Licensor in writing of any change in the Licensee information stated above.

An original signed copy, via U.S. Mail, shall follow facsimile transmission and/or electronic mail, of required notices.

34. Termination. In addition to the default provision in Section 5:

(a) The Licensor may, by written notice of default, terminate this Agreement, in whole or in part, for any material breach in the performance of the obligation of the Licensee.

(b) If the Licensor terminates the Agreement for default and is thereby faced with the necessity of acquiring, from another provider, services to replace those terminated, the Licensor may through the payment bond or through litigation or both, seek reimbursement for the reasonable cost of alternatively securing those services. Licensor liability for the termination shall be regarded as prima facie evidence of liability for the replacement costs to the City.

35. Waiver. Waiver of any of the terms of this Agreement shall not be valid unless in writing and signed by each party. The failure of the Licensor to enforce any of the provisions of this Agreement shall not in any way be construed as a waiver of such provisions or affect the validity of any part of this Agreement or to affect the right of the Licensor to thereafter enforce each and every provision of this Agreement. Waiver of any breach of this Agreement shall not be regarded as a waiver of any other or subsequent breach of this Agreement.

36. Agreement Section Headings: The section and subsection designations in this Agreement are inserted for the purpose of convenience and ready reference. They do not limit, by such designation, a harmonious interpretation of the Agreement, when read as an integrated document.

37. Integration: This Agreement represents the entire and integrated agreement between the parties. It supersedes all prior and contemporaneous communications, representations, and agreements, whether oral or written, relating to the subject matter of this Agreement.

38. Disclosure of Principals: Pursuant to Resolution R-105-99 adopted by the City Council on November 17, 1999, Licensee warrants that it has disclosed, on the form attached as Exhibit "E" hereto, all principals, including partners, of Licensee, as well as all persons and entities holding more than a 1% interest in Licensee, or any principal of Licensee. If Licensee, or its principals or partners described above are required to provide disclosure under federal law (such as disclosure required by the Securities and Exchange Commission (SEC) or the Employee Retirement Income Act (ERISA), and attaches current copies of such federal disclosures to Exhibit "E," the requirement of this Section shall be satisfied.

- (c) Licensee has signed this Agreement; and
- (d) Licensee has executed an agreement with Sanctioning Body that is consistent with the terms and conditions of this Agreement.
