Artist: SOLA

*This donation is contingent upon Trifecta Gallery raising the funds to pay the artist.*

Description: The 7 x 11 ft. tapestry is woven of unraveled sweaters SOLA bought from local thrift shops. She worked in almost complete seclusion for 8000 hours over a three year period in a tiny, almost empty apartment near the Hard Rock Hotel in Las Vegas.

The huge tapestry is literally woven from the fabric of our community. Motions are in the works to raise funds to place it in the new city hall. The campaign is entitled "To the City of Las Vegas, from the People of Las Vegas". Toward the end of the capital fund you will hear more about ways the community can donate small change to truly make this a gift to the city from its people.

Artist: Aaron Shadib

Description: The artist is proposing to create an artwork specifically for the new City Hall. The artwork will be based on his past work.

\* Images or the actual artwork will be available at the Arts Commission meeting.
