Re: Appointment of Susan Y. Chandler Butche
Animal Advisory Committee

On March 10, 2009, Animal Control Supervisor Floyd Womble spoke with Ms. Butche regarding her reappointment to the Animal Advisory Committee. Ms. Butche's current term is due to expire on April 5, 2009. Ms. Butche verbally confirmed and followed with a confirmation e-mail to Floyd, expressing her desire to continue to serve on the Animal Advisory Committee.

Ms. Butche has been a member of the Committee since 1995, has been reappointed through 6 terms, and maintains a perfect 100% attendance record. Ms. Butche has served the committee and our community well, and I highly recommend she be reappointed for another term.
