To: Clark County Comprehensive Planning Department
Regarding: Parcel # 125-14-504-008
Application # ZON-17250

To Whom It May Concern:

I would like to request an extension of time for zoning application # 17250 which it will expire on 02-21-2009 approved zoning for R-PD2. Unfortunately the market doesn't seem like it will turn around anytime soon. Due to the economic condition I have not been able to get a loan to develop the property and to market it. I have no choice but to request of an extension for 3 to 5 years. I know that you are aware of the market condition and you will hopefully grant me the 5 years extension. Your consideration is deeply appreciate it.

Thank You
