RE: **OFF-PREMISE (BILLBOARD) SIGN LOCATED AT 2921 West Sahara Avenue**
APN: 162-08-501-001
CASE # SUP-4021

To Whom It May Concern:

Clear Channel Outdoor at this time is requesting a Waiver of Conditions from our approved SUP-4021. We are requesting condition number 3 (which states, "Only one (1) advertising sign is permitted per sign face.") to be removed from our standard conditions of approval.

We are basing this request on the newly adopted ordinance (**ORDINANCE NO. 5959. BILL NO. 2007-68**) which allows for side-by-side advertising as long as we do not breach the permitted 672sf of advertising display area.

Thank you for your consideration,
