SDR-33010

Planning Commission Meeting of 2/26/2009

Silver Sky St is the only
access road to Star Cluster Cir.
This will bring too much excess
traffic into the area. Also the
construction of the first building
was a hindrance getting into
and out of Star Cluster Circle

The developers have no
consideration. They often

had the area
blocked. If there
was an emergency we have
no other route out but on to
Silver Sky and the construction
people are never in a hurry to get
out of the way.

RE the following Agenda items of the 3/26/09 meeting:

We understand that all LV Planning Commission actions may set a precedent for any and all actions within our City of Las Vegas boundaries, therefore imposing a direct impact upon all wards.

#9. ZON-32514, #10. VAR -33012, and #11. SDR-33010:

We request your Approval for these 2 additional buildings provided fire and other safety codes are fully compliant with requirements for the fully occupied number of rooms plus the height of 3 stories which is highly dense occupation.

#14. SUP-32748:

We request your DISapproval of this application to change the legal 9 PM closing hour for massage establishments.

We request your DISapproval of this application to change the legal 400 ft. separation distance from a residential use.

#15. SUP-33189 and SDR-33191:

We request your Approval of the 'supper club' and 'on-site alterations'.

#21. SUP-33388:

We request your Approval of this proposed 'second hand dealer'.

#22. VAC-30172:

We request your DISapproval of this inappropriate request because the length of the 'portion' is not identified and vacation will impede traffic.

#23. SDR-33422:

Please vote Approval for this 'Major Ammendment'.
