CITY COUNCIL MEETING OF: MAY 6, 2009

SUSAN WHITE, 4601 Evergreen Place, apologized for not pulling the required permits before erecting the structure. She indicated that she has lived in this house for many years, she loves it and she maintains her property very well. The eight neighbors that live on her street are in support. She requested approval.

MS. WHITE explained to COUNCILMAN ROSS that none of her neighbors complained, but an anonymous call was made to complain.

COUNCILWOMAN TARI AMIAN expressed concern about MS. WHITE not pulling the necessary permit. MS. WHITE commented that she did it without realizing she needed a permit. If the variance is granted, she intends to fireproof the walls of the structure. Because of the landscaping, there is not enough space to accommodate the shed anywhere else on the property.

COUNCILMAN ROSS mentioned that he grew up in the area and has known MS. WHITE for many years.

See Item 111 for related backup.

MAYOR GOODMAN declared the Public Hearing closed.
