Dept./Division:

PURPOSE/BACKGROUND:

The City of Las Vegas plans to design and construct the Las Vegas Wash Middle Branch - Rainbow Storm Drain project between Elkhorn Road and Grand Teton Drive. This project includes collection facilities within the southern most portion of the existing grass lined channel along the west site 404-foot section of the existing grass lined channel to reduce the channel landscape maintenance cost. LMA has agreed to contribute the entire cost of re-designing the section of the existing grass lined channel between the collection facilities associated with the Las Vegas Wash Middle Branch - Rainbow Storm Drain project and the Severance Lane alignment. The City of Las Vegas will provide LMA a construction estimate for the re-designed grass lined channel and LMA will have the option to contribute funding for the construction of these improvements in conjunction with the construction of the Las Vegas Wash Middle Branch - Rainbow Storm Drain project.
