PURPOSE/BACKGROUND:

Under applicable City ordinances, parking citations may be contested by means of a hearing officer process. For those who don't choose that process, another potential means of contesting a citation has been to appear in response to a civil complaint filed by the City in Municipal Court. Because such a court process has not proved feasible, it has been proposed to allow those who wish to contest a citation in Municipal Court to request such a hearing by means of posting a \$500 bond, which would function as an appeal bond. This ordinance will implement that change.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
