Official Notice of Public Hearing**

The required 24 spaces should be upheld. Mr. Sosa canvassed the neighborhood seeking support for this variance. During this conversation he claimed he was going to put in a donut shop with limited hours. Since his claims differ from what is in the official notice, I am not sure about the intended use. The variance still needs to be upheld even for a donut shop. If you allow the variance, he or someone else could later change it into a full service restaurant, which still leaves the issue of insufficient parking spaces. The city's requirements for the number of parking spaces are there for a legitimate reason and should not be waived. Please do not grant this request.
