When Mr. Vancheri walked the neighborhood to ask me to sign the special use petition for keeping racing pigeons, I did sign the petition. BUT, I DID NOT REALIZE HE WANTED A PERMIT FOR 300 PIGEONS.

I feel that 300 is way too many birds for a neighborhood with private homes.

I know that racing pigeons must be exercised several hours a day to build and maintained their endurance for competition, and I feel that 300 birds flying over my home and landing in on my property will leave quite a mess to clean up after. I know that he can not keep racing pigeons in a cage 24 hours a day, so I feel he should not be able to have 300 birds.

I would like to see the permit for NO MORE than 50 to 70 birds, and even then it will create quite a mess on the roof and the ground. I have already seen then on the ground in my backyard.

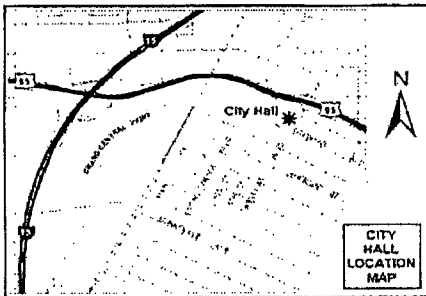

Thank you in advance for this consideration.

Dear Representatives,

I represent the Board of Directors at Ponderosa Estates, a community of 28 homes directly behind the proposed Pigeon racing application that is currently before you.

Many of the home owners residing here strongly oppose this action.

Please to not permit this in our back yard. These birds carry all kinds of diseases. We do not want the infestation of pigeon dropping on our homes.

Regards,

David Anderson
