

The map displays a grid-like street pattern with several major thoroughfares. A prominent black circle, labeled "1,000' RADIUS", is centered on El Capitolio Way between Rome Blvd and Centennial Pkwy. The streets shown include:

- Deer Springs Way** at the top.
- Rome Blvd** running horizontally across the middle.
- Centennial Pkwy** running horizontally below Rome Blvd.
- Regena Ave** running horizontally below Centennial Pkwy.
- Azure Way** running horizontally at the bottom.
- Durango Dr** running vertically through the center.
- El Capitolio Way** running vertically through the center, intersecting all other major roads.
- Grand Montecito Pkwy** curving along the right edge.
- Other streets**: Ryley St, Julia Rd, Bright Angel Way, Campbel Rd, Victor Creek Ave, Rio Grande Ave, and many others.

Lot numbers are visible throughout the map, particularly in the upper left and right sections. The map is oriented with North at the top.
